## 12. FINDING AND TRANSFER FEES

- a) There may be times when your service wishes to employ a member of our staff directly. There are two routes available to you for staff that are currently working for us, and one route for staff that are no longer with us but introduced to you.

Available routes for staff that have been introduced to you:

**Route 1:** Temporary to Permanent

**Route 2:** Straight to Permanent

**Route 3:** Left the business to Permanent

- b) Route 1: **Temporary to Permanent**

Temporary to permanent is an effective way for a member of staff to transfer over to your direct employment. You will fulfil the workers required hours exclusively at your service location for the agreed number of weeks. You can then pay a fee at the end of the temporary to permanent period to transfer the workers employment to you. Please Note: You must meet the employees required weekly hours.

You will need to write to Carefirst Care Services LTD 7 days before you intend to offer employment to a member of our staff. We will check with our worker as to whether they would wish to consider an employment opportunity with you.

We will then respond to you and set out our temporary to permanent conditions for you to then proceed to offer with our member of the team.

Temporary to permanent placements will always commence from an agreed date in the future. This is never able to be back dated. The placement can be over 12, 8 and 4 week periods and set out as follows:

The Fees

- 12 Weeks Temp to Perm: £1,250 + VAT
- 08 Weeks Temp to Perm: £1,500 + VAT
- 04 Weeks Temp to Perm: £2,750 + VAT

**CAREFIRST**

The fee must be paid prior to the transfer of the member of staff otherwise the transfer period will increase by one week with no maximum until the transfer fee has been paid and received.

These terms stand for full time, part time, relief or bank contracts.

You or the worker can change your mind at any time prior to the transfer date but there is not any refund available for time worked. The above fees are only for care assistants and support workers.

c) Route 2: **Straight to Permanent**

Straight to permanent is a quick recruitment solution but can still limit the transfer of a worker because the worker must offer a 4 week notice period to us. The worker does not have to work in your services during this time as this is not a temporary to permanent arrangement.

The 4 weeks' notice period will start at the point that we receive our staff members resignation, you cannot do this on their behalf and any time cannot be back dated.

The Fee: £3,750 + VAT

These terms stand for full time, part time, relief or bank contracts.

You or the worker can change your mind at any time prior to the transfer date but there is not any refund available for time worked. The above fees are only for care assistants and support workers.

d) Route 3: **Left the business to Permanent**

We have a strict management strategy in place to ensure our services is of the highest standard and reliability for our customers and your end users/service users. Therefore, we sometimes part ways with staff that are not necessarily unsuitable for care, but unsuitable for our agency services.

If the worker voluntarily leaves us or is dismissed by us and pursues employment with our customer before or after parting ways with us, should you engage the worker within 6 months of their employment end, you agree to pay the applicable finding and transfer fee as set out below:

**Staff that voluntarily left Carefirst Care Services but introduced to you**

- Left Carefirst to Permanent within 6 weeks fee due: £4,000
- Left Carefirst to Permanent before 12 weeks fee due: £2,500
- Left Carefirst to Permanent after 13 weeks fee due: £1,500
- Left Carefirst to Permanent after 17 weeks fee due: £0

**Staff dismissed from Carefirst Care Services but introduced to you**

- Dismissed from Carefirst to Permanent before 6 months: £1,500
- Dismissed from Carefirst to Permanent after 6 months: £0

Under the terms of their employment contract, our staff are not permitted to do any additional work for you on a directly private basis. If a member of our staff agrees to do this outside of the services that we have agreed to provide, they would not be covered by our insurance, terms of business and you will be liable to pay the finders and transfer fee of £4,000.

These terms stand for full time, part time, relief or bank contracts.
